

**nOSK**  
Personal Air Filtration

*Virtually Invisible*  
*Highly Effective*  
*Very Convenient*

*A comfortable and lightweight, ultra-thin dual nasal filter that instantly blocks pollen, dust, allergens, and other airborne particles from entering the body.*

#### **Why use NOSK?**

**Drug Free:** NOSK provides a safe, drug free alternative to allergy or other medicines. No more pills, sprays or side effects, such as drowsiness or dry mouth.

**Effective:** Reduces the inhalation of pollutants, allergens, dust and other unwanted hazardous substances.

**Comfortable:** Designed by top Ear, Nose and Throat specialist, NOSK Fits comfortably in your nose, giving you the freedom to talk, and eat while providing unparalleled relief.

**Invisible:** Virtually invisible to those around you, a thin translucent plastic strip holds NOSK securely in place.

#### **Received Numerous International Expo Awards**
