

# New Item Update

---

## Marathon 3 Champion

We are proud to announce a new addition to our Micromotor product line. We have been constantly improving and upgrading our systems to increase productivity.

This unit is an upgrade version of our Marathon 3. And because of its compact and portable size we are able to improve not only on its design but also its functionality and durability.

### Complete Set Includes:

- Control Box
- H37SN (40,000rpm)
- On/Off Foot Control
- Handpiece Holders
- Built-in Bur Holders

- Continuous variable speed control
